

Wedding Anniversary Prayer

Good and gracious God,

We come to you in thanksgiving for the blessings that you have given us throughout our marriage. We thank you for the joys that carried us and the challenges that strengthened us.

We know that by being faithful to each other, we are also showing our faithfulness to You. We ask that you continue to bless our marriage with love, patience, gentleness,

understanding, and kindness. Help us to always turn to You for strength. Allow us to forgive when we have wronged or hurt one another and grant us the humility to ask for forgiveness, even when it is difficult. We ask You, Lord, to guide us as we continue to be a living example of goodness and beauty in the sacrament of marriage. We ask this in Jesus' name. Amen.
